The Landscape Committee would like to solicit volunteers for a community workday Saturday, November 6, 2004, at 8a.m. Many things around the community need attention:

- 1) The dock area- trimming trees, picking up debris, general cleaning

If anyone would like to join one or more of these work groups, just meet at lake #1 near the entrance, starting around 8 a.m. Bring trash bags, pruning shears, tree trimmers, anything that would help get the job done! Help save the community some money and join us!
